DEPUTY CLERK

I, Russell Davidson, being duly sworn, depose and state that:

I am a Senior Special Agent with the Bureau of Alcohol, Tobacco, Firearms and Explosives, United States Department of Justice, I have been employed with ATF since July 2002 and I am presently assigned to the Roanoke, Virginia Field Office. I have successfully completed the Criminal Investigators Training Program and New Professional Training, ATF National Academy, held at the Federal Law Enforcement Training Center, Glynco, Georgia. Prior to this employment, I was employed as a sworn police officer for the City of Lynchburg, Virginia for eight years. During those eight years, I was assigned to the Vice/ Narcotics Unit responsible for conducting drug trafficking investigations. Since becoming an ATF Special Agent, I have conducted narcotics and firearms investigations involving large conspiracies. This aforementioned experience has given me the knowledge to recognize the methods used by criminal violators and individuals disposed to commit criminal offenses to conceal their overall criminal activities from law enforcement personnel and other persons. This affiant knows that it is a violation of:

Title 18 USC 922(g) (1) – It shall be unlawful for any person who has been convicted in any court of, a crime punishable by imprisonment for a term exceeding one year to possess any firearm or ammunition.

On the basis of this training and experience, your affiant knows:

- a) "firearm" means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device as described in the Gun Control Act of 1968
- b) that persons engaged in firearms offenses, and other criminal activities, commonly maintain addresses or telephone numbers and books, or cellular telephones which reflect names, addresses and/or telephone numbers of their associates and clients in their firearms, narcotics and other criminal activities and that they maintain these records at their residence or on their persons where they are concealed from law enforcement authorities and third parties;
- c) that persons involved in firearms offenses and other criminal activities frequently take or cause to be taken photographs or videotapes of themselves, their associates, and their firearms/narcotics, and that these persons maintain these photographs or videotapes at their residence;

- d) that most people store firearms in their homes and vehicles, and the persons who possess firearms usually possess other items related to firearms such as: gun cases, ammunition, ammunition magazines, holsters, spare parts, cleaning equipment, photographs of firearms and receipts for the purchase of these items. I know that unlike controlled substances that can be consumed quickly, individuals who own firearms maintain and keep firearms for a significant period of time.
- e) that persons engaged in firearm offenses, especially those persons prohibited by law from possessing firearms or those engaged in the illegal trafficking of firearms, will attempt to hide and conceal their true identity of the owner or possessor of the firearms. In attempting to do so the prohibited person will sometimes use fictitious names when purchasing or sending firearms or use a relative, girlfriend or boyfriend, or associate to purchase, acquire, or send the firearm(s);
- f) that most persons who own, possess, acquire or maintain firearms whether prohibited or not, keep and store the firearms, ammunition, gun parts, gun-cleaning kits, holsters, ammunition belts, original box-packaging, targets, expended pieces of lead, and bullet loading equipment either in their residence, storage building, or storage shed;
- g) affiant notes that whether or not the firearm(s) sought are recovered, the above items tend to show that a firearm(s) existed and may have once been located in a place to which the suspect had access, and that these items would tend to connect the suspect with the firearm(s) sought. Affiant further notes that in his experience, the above items are not normally disposed of after the commission of a crime or illegal possession of a firearm by a person, and that they are therefore still likely to be found in any location or vehicle to be searched, or on the person of any suspect to be searched pursuant to this warrant.
- h) affiant is familiar with the facts and circumstances with the offenses described in this affidavit, but affiant has not included all the facts relative to this investigation, but has only included those facts necessary to establish relevant probable cause.

This affidavit is submitted in support of an application to both search and seize property, which your affiant submits constitutes evidence of the commission of a criminal offense. In particular, this application for search and seizure is related to the residence of Anthony M. Smith, which is alleged to contain evidence of violation of Federal firearms laws. The residence to be searched is described in Attachment "A". The items to be seized are described in detail in Attachment "B."

The following information is provided in support of an Application and Affidavit for a Search Warrant for the residence of Anthony M. SMITH located at 12685 Rockford School Road Gretna, VA 24557.

## **Probable Cause**

1. On March 12<sup>th</sup>, 2015 Lynchburg Police Department Officer Matthew Knabb executed a narcotics search warrant at 1023 Chowan Avenue, in the City of Lynchburg, VA. Officers located an 8 ball of Cocaine (3.5 grams), 100 Oxycodone pills, over 1 ounce of Marijuana, and a Glock .357 Firearm. Arrested were Hunter Michael Moll [REDACTED] and Kaisha Monique Booth [REDACTED]. Their charges included Possession with Intent to Distribute a Controlled Substance, Possession of a Firearm by a Convicted Felon (MOLL) and Possession of a Firearm while in Possession of a Schedule I/II narcotic, as well as other drug and traffic related charges.
2. Following that search warrant, this affiant executed a search warrant on Kaisha Booths Facebook Page (Kaisha Monique). Starting on page 214, Kaisha begins a conversation with a Facebook ID of "Bigdog Wos". After Kaisha asks Bigdog Wos to resend a picture, he sends 3 pictures to Kaisha. The pictures are of a Llama .45ACP handgun, silver in color, with a black handle. In the picture is also a black magazine, loaded with ammunition. On page 218, Bigdog Wos types "10+1 minimax 45acp sub compact gun and 2 mags no ammo. I was just looking for something different". After several more messages of negotiation, they arrange for Hunter Moll to meet Bigdog Wos at the Target in Lynchburg, VA on 1/26/2015. Checks were completed with the Virginia Governor's Office, and they verify that Smith has not had his rights restored, making it still illegal for him to possess a firearm or ammunition. Furthermore, Officer Knabb ran Smith's information through Virginia Department of Motor Vehicles (DMV), and obtained a photo to compare with the photos posted on Smith's Facebook page. The photo on file with DMV matches the photos posted online to his account, further verifying Smith's identity.
4. On December 8<sup>th</sup>, 2012, Smith posted a picture to his Facebook page. The picture is Smith, in a brown jacket, shooting a semi-automatic handgun that is black in color. He is standing behind a wooden table that has several other items laid out
